

## Information Leaflets

To obtain information about urological treatments or procedures, click on the links in the left-hand menu column to go to the section you require.

If you are unclear about what any proposed treatment or procedure involves, or if you have any questions about the information provided, we recommend that you ask the urological staff for clarification before proceeding.

All leaflets are in Adobe Acrobat® (*PDF*) format, open in a new browser window and can be downloaded, printed or saved on your computer.

All leaflets are designated for review at the time of the Annual BAUS Meeting (in June) each year
