

Your Patient Journey

The assessment and treatment of urological conditions can be complex and, at times, confusing for patients.

Use the links below to obtain more information about how your treatment is planned and who you are likely to encounter during this process.

["Having An Operation? Your Patient Journey"](#)

The official information leaflet from the Royal College of Surgeons of England outlining the process which takes place during the assessment and treatment of surgical disorders.

["Who's Who In Surgery"](#)

Information from the Royal College of Surgeons of England on the grades and responsibilities of medical and nursing staff in surgical units

["Patients Rights And Responsibilities"](#)

Information from the Royal College of Surgeons about the rights of patients and their responsibilities when undergoing surgical treatment

["The NHS Constitution"](#)

The new NHS constitution which defines what you can expect from the NHS and what the NHS is entitled to expect from you
