

PLATFORM HOW-TO-GUIDE

THE BAUS 2020 VIRTUAL PLATFORM HOW-TO GUIDE GIVES DELEGATES A DETAILED LOOK INTO THE USER FRIENDLY FEATURES WITH STEP BY STEP INSTRUCTIONS.

HOME PAGE

When you access the BAUS 2020 platform via the web or mobile app you will be directed to the home page.

On your home page you will find posts from the organisers throughout the meeting, highlighting when key sessions are about to begin and other important information.

AGENDA

Programme & details of sessions taking place on 9-11 November. Sessions can be filtered by sub-speciality using the colour coded tabs.

The agenda is where you will be able to watch sessions on their given date & time, participate in Q&A, leave a comment and give your instant feedback on the session.

WATCH IT AGAIN

Once a session has finished, it will be available in the 'Watch it Again' area for delegates to view later.

Sessions will be available for a period of up to 12 months.

ACTIVITY WALL

Delegates and exhibitors can post comments & photos like your favourite social media platforms. To post a comment, click on the notepad symbol in the top right hand corner

You can like, comment and interact with other posts on this wall.

Join in the conversation!

EPOSTERS

ePosters will be available to view on the platform.

Each ePoster session has been allocated a 30-minute session, where the co-chairs will provide a review & discussion of the ePosters and conclude with the take home messages. These sessions can be found in the agenda and can be watched on the given date & time.

CHAT

Connect with other delegates.

Once you have connected, you can chat and interact with each other via instant messenger.

TEACHING COURSE

The Research Methodology, Male Factor Infertility, Insights into National Selection and the Local Anaesthetic Transperineal Biopsy Skills Course will be available to view on demand in the teaching courses area for up to 12 months.

Certificates for teaching course: Research Methodology will only be issued to those who complete the assessment form and obtain a pass rate of 80%.

AD HOC MEETINGS

If you wish to arrange a virtual one-to-one meeting with another attendee, please contact technical support on the help desk to arrange a meeting.

Once your meeting is scheduled it will appear in the my meetings area.

Tip: Ctrl F brings up the search bar if you wish to find a specific attendee.

NOTIFICATIONS

Notifications from the organisers will be sent out throughout the meeting, highlighting when key sessions are about to begin and other important information. All notifications will be stored in this area.

ACTIVITY CHALLENGE

Join in the Activity Challenge running from 9-11 November and complete tasks on the virtual platform to earn points and compete against colleagues for a chance to win a pair of Apple AirPods. Keep an eye on the leader board, the competition closes at 6pm on 11th November.

SURVEY

We encourage delegates to complete the post-event survey, which will be available via the platform.

Feedback and suggestions for future years are also welcome. Certificates will be emailed to delegates from Monday 16 November.

HELPDESK

On the homepage there is a help desk & robotic support if you have difficulties navigating the platform.

The helpdesk includes BAUS 2020 FAQs and contact details for Event and Technical support. Delegates can also test their stream to ensure their internet, audio and video is working correctly. This will be useful if you wish to engage in virtual meetings.
