

Presenting Author: Have you uploaded your ePoster? Please see instructions below.

Instructions for the preparation and submission of ePosters

- MS PowerPoint file is the preferred format, PDF or JPG image files can also be used.
- Landscape format. Ratio of 4:3 or 16/9 are ideal.
- BAUS encourages you to use the **poster templates** available [here](#)

Nevertheless, the use of templates is not mandatory and presenters are free to submit their own designs and color schemes.

- Please click [here](#) to submit your ePoster.
- Use your abstract submission email as the username.
- To set your password (or reset) please click [here](#)
- Deadline for Poster Submission: **June 10, 2019**

MULTIEPOSTER will be providing technical support for all Electronic poster presenters and can be reached via email at support@multieposter.com.
