

BSUR | 20 BAUS Endo | 23

Harrogate Convention Centre
14-15 September 2023

Programme

**Joint Annual Meeting:
British Society of Urogenital Radiology
British Association of Urological Surgeons, Endourology Section**

HARROGATE

Welcome

Dear Delegate,

We are delighted to warmly welcome you to the beautiful spa town of Harrogate, gateway to Nidderdale area of outstanding natural beauty and home to life's Yorkshire essentials such as Betty's tea cakes & fat rascals, Yorkshire Tea and Harrogate Spring Water. Endo Urology and Uro-radiologists are a great team in the NHS so it is exciting to have our second joint BSUR and BAUS Endo joint meeting after the inaugural meeting, 2007 in Edinburgh. We hope you find the programme stimulating, we have worked hard to address the needs of all our members, Endo-Urology, Uro-Radiology and Gynae-Radiology and look forward to seeing you in the truly Majestic Hotel for the conference dinner on Thursday. Many thanks for joining us, and don't forget to make time to relax in the Turkish Baths!

Faye Cuthbert, Chairperson, BSUR

Atif Khan, Conference Organiser, BSUR

Harry Bardgett, Conference Organiser, BSUR

Dear Colleagues,

We are really excited about the 2023 BAUS Section of Endourology meeting, held in conjunction with the British Society of Urogenital Urology (BSUR). We trust that you will find the academic programme interesting and relevant to your everyday practice, and we hope that you will enjoy the social aspects of the meeting too!

The first day of the conference is a celebration of the strong friendship between urology and radiology. The plenary sessions focus on topics relevant to both specialities including the future provision of emergency non-vascular interventional radiology. This year, we are honoured to have Dr Clare Allen, Consultant Radiologist from UCLH as our Malcolm Coptcoat Lecturer, and it will be fascinating to hear her reflections on a stellar career in uro-radiology.

On the second day, we will cover a wide range of endourology topics. For the first time, we have a plenary on Friday morning dedicated to the tremendous work that our endourology clinical nurse specialists do. There is also a session showcasing "office endourology" procedures for stone disease, BPH and non-muscle invasive bladder cancer. Of course, there will also be a selection of presentations from our trainees across the country.

We hope you can join us in Harrogate in September for what promises to be a fun and informative 2 days.

Prof Sri Sriprasad

Chair
BAUS Section of
Endourology

Hari Ratan
Hon Secretary
BAUS Section of
Endourology

CME Points

Thursday 14 September: 6 Points

Friday 15 September: 5 Points

Pi™ Prostate Intelligence

Prostate AI with expert level performance

Improving the Diagnostic Pathway and workflow

Pi™ automatically processes prostate MRI scans, integrating with existing PACS and RIS, for analysis by radiologists at the time of reporting

Outputs include contoured prostate and lesions for fusion biopsy and therapy planning, saving time and reducing workload

Risk scores support improved detection of cancer, biopsy avoidance and workflow prioritisation according to clinician and patient preferences

General Information

Address

Harrogate Convention Centre,
King's Rd
Harrogate
HG1 5LA
Please use Entrance 3

Access

BSUR & BAUS Endourology Lectures will take place in the Queens Suite, BSUR Gynae Lectures will take place in the Crown Suite. The exhibition, catering and poster display will be in Hall D. Registration will take place on the mezzanine.

App

Please download The Event App by Events AIR
Event Code: bsurendo

Badges

All delegates, speakers, stand personnel, guests and staff should wear their badges, for security reasons, at all times during the meeting. Access to the meeting rooms and exhibition area will be denied to people not wearing badges.

Car parking

There is a 24-hour pay and display car park directly below the Harrogate Convention Centre, please note that the entry and exit shutters are open from 06:00 to 23:59.
For further information on parking, please visit: <https://www.harrogateconventioncentre.co.uk/visitors/parking>.

Cloakroom

A Cloakroom will be available is available in the entrance foyer, please note that this is unmanned.

CME Points

The following CME points will be available for this meeting:

Thursday 14 September: 6 Points
Friday 15 September: 5 Points

Certificates will be emailed to delegates after the meeting.

Directions

Harrogate Convention Centre is just a seven-minute walk (or short taxi ride) from Harrogate train station. Taxi services are available across the road opposite the main doors of the station. Please enter Harrogate Convention Centre via Entrance 3.

Exhibition - Hall D

BSUR & BAUS Endourology are delighted to have received so much support from our trade partners and we hope you will take the opportunity to visit their stands.
The exhibition and catering area will be in the Hall D.

Mobile Phones

As a courtesy to speakers and other delegates, please could you ensure that all mobile phones and devices are either turned off or switched to silent mode whilst in the sessions.

Posters

Posters will be available to view in the exhibition in Hall D.

General Information continued

Refreshments & Lunch

Refreshments and lunch will be available alongside the exhibition in Hall D and are included in the registration fee. NB: We endeavour to accommodate all dietary requirements where possible with each venue. However, not all dietary requirements or preferences can be accommodated. If you would like further information, please email events@baus.org.uk

Registration Desk

Please enter via entrance 3 and you will be directed upstairs to registration. The registration desk will be open at the following times:

Thursday 14 September: 0830 - 1800
Friday 15 September: 0830 - 1330

Social Dinner

The Conference Dinner will take place at the Majestic Hotel Ballroom on Thursday 14 September. Please see the registration desk for ticket availability.

Sessions

Thursday 14 September

Joint BSUR & BAUS Endo Sessions will be in the Queens Suite
BSUR Gynae Sessions will be in the Crown Suite.

Friday 15 September

BAUS Sessions will be in Queens Suite 1
BSUR Sessions will be in Queens Suite 2

Taxis

Blue Line Taxis Tel: **01423 530 830** or
Mainline Taxis Tel: **01423 555555**
The nearest taxi rank is on Montpelier Road.

Wi-Fi

Free Wi-Fi will be available throughout the venue. Look for 'Venue Wifi' on your connections list. No need for sign-up or passwords, just connect and accept the T&Cs.

You're in control.

Realise the possibilities with innovation that covers your procedures.

BAUS Endourology Poster Presentations

Poster Session 1 will take place 0900-1005 on Friday 15 September
Each presentation will be 3 minutes long with 2 minutes for Q&A. The presentation order will be as follows:

1-1 Mendelian randomisation and colocalization analyses reveal novel drug targets for the prevention of kidney stone disease

Lovegrove C¹, Hannan F¹, Mahajan A¹, Thakker R¹, Holmes M², Furniss D^{1,3}, Howles S^{1,3}

¹University of Oxford, Oxford, United Kingdom, ²University of Bristol, Bristol, United Kingdom, ³Oxford University Hospitals NHS Foundation Trust, Oxford, United Kingdom

1-2 Is Traditional Stone Clinic an Ideal use of NHS Resources?

Corkill J¹, Sale A, Jefferies E

¹Royal United Hospital Bath, Bath, United Kingdom

1-3 Improving the Emergency Urology Stone Pathway with Elective Theatre Utilisation: A Closed Loop Audit

Zhu L², Nathan A^{1,2}, Rosa N¹, Ng A^{1,2}, Riley M¹, Khalifeh M¹, Goyal A¹, Singh P¹, Ellis G¹, Allen D¹, Kucheria R¹, Ajayi L¹

¹Royal Free Hospital, London, United Kingdom, ²Division of Surgery and Interventional Science, University College London, London, United Kingdom

1-4 An audit of the morbidity of waiting for a PCNL

Tezcan E¹, Rosli M¹, Hall S¹, Miller S¹, Scriven S¹, Ratan H¹, Bodiwala D¹

¹Nottingham University Hospitals NHS Trust, Nottingham, United Kingdom

1-5 The lasting effect of the COVID-19 pandemic: Outcomes for patients awaiting percutaneous nephrolithotomy (PCNL)

Crossland A¹, Forster J, Stewart A, Basu S

¹Bradford Teaching Hospitals NHS Foundation Trust, Bradford United Kingdom

1-6 Can we rely on the published evidence comparing the environmental impact of single use and reusable flexible cystoscopes? A systematic review of published environmental impact assessments.

John J¹

¹Royal Devon University Healthcare NHS Foundation Trust, Exeter, United Kingdom,

²University of Exeter, Exeter, United Kingdom

1-7 Environmental impact of flexible cystoscopy: A comparative analysis between the carbon footprint of Isiris® single-use cystoscope and reusable flexible cystoscope and a systematic review of literature

Jahrreiss V^{1,2}, Sarrot P³, Davis N⁴, Somani B¹

¹University Hospital Southampton, NHS Trust, Southampton, United Kingdom,

²Department of Urology, Medical University of Vienna Vienna Austria ³Medical

affairs department, Coloplast, Le Plessis-Robinson, France, ⁴Department of Urology, Beaumont Hospital and Royal College of Surgeons in Ireland, Ireland

1-8 Outcomes of Ultrasound guided ESWL

Patel A¹, Turney B¹, Howles S¹, Jour I¹, Keskin S¹, Mabrouki M¹, Yassin M¹, Spencer M¹, Grout E¹

¹Churchill Hospital, Oxford, United Kingdom

BAUS Endourology Poster Presentations continued

Poster Session 2 will take place 1330-1415 on Friday 15 September,
Each presentation will be 3 minutes long with 2 minutes for Q&A. The presentation order will be as follows:

1-9 The CALCULator. Using Local Data and Supervised Machine Learning to Create a Useable Prediction Tool for Emergency Shockwave Lithotripsy.

Wilson J¹, Crompton S², Manley J², Dunn J², Prynne J², Irish A², Sanderson G², Dickinson A²

¹Cheltenham General Hospital, Cheltenham, United Kingdom, ²Plymouth Hospitals NHS Trust, Plymouth, United Kingdom

1-10 Stent Guardians & Safety Administrators: A Necessity to prevent Lost Stents?

Minto T¹, Fuller A, March P, Quick C, Parry J, Harris A, Collin N, Collin G, Timoney A, Lee S, AlBuheissi S, Philip J

¹Bristol Urological Institute, Bristol, United Kingdom

2-1 Thulium Fiber Laser and 14-Fr Super-Mini Percutaneous Nephrolithotomy

Sarna S, Edison E, Adlam J, Allen C, Arumham V, Choong S

¹University College Hospital London, London, United Kingdom

2-2 Nephrostomy insertion in malignant ureteric obstruction does not significantly improve renal function at 3 months

Chandran A^{1,2}, Mehta S^{1,2}, Bajracharya V^{1,2}, Gleitzman O^{1,2}, Willis S¹

¹Guy's Hospital and St Thomas' (GSTT), London, United Kingdom, ²Equal First Authorship

2-3 QR codes. A sustainable way to improve patient access to health information.

Crossland A¹, Stewart A

¹Bradford Teaching Hospitals NHS Foundation Trust, Bradford United Kingdom

2-4 JFil®: A New Effective Stent to Improve Tolerability and Reduce Ureteral Stent Symptoms?

Farah M¹, Al-Dhahir W¹, Mohamed A¹, Mahmalji W¹

¹Wye Valley NHS Trust, Hereford, United Kingdom

2-5 Cystolitholapaxy for Large Volume Bladder Stones Using Swiss LithoClast Trilogy: Initial Clinical Experience

Sturgess G¹, Young M¹, Wilcox G¹, Sara X¹, Symons S¹

¹The Mid-Yorkshire Teaching Hospitals, Wakefield, United Kingdom

BAUS Endourology Poster Presentations continued

Poster Session 2 will take place 1330-1415 on Friday 15 September,
Each presentation will be 3 minutes long with 2 minutes for Q&A. The presentation order will be as follows:

2-6 TULA in outpatient settings Tolerability, Safety and Side effects assessed through VAS Score and EORT validated questionnaires

Giona S¹, Ali A¹

¹Frimley Park Hospital, Camberley, United Kingdom

2-7 Traditional and Novel BPH Treatment Options: Would we Treat Ourselves as we Treat our Patients? Results from a Decision-Making Survey among Urologists

Colvin H¹, Johnston M, Ripa F, Mani Sinha M, Pieptropaolo A, Brewin J, Fiori C, Gozen A, Somani B

¹Salisbury District Hospital, Salisbury, United Kingdom, ²Southampton General Hospital, Southampton, United Kingdom

2-8 Causal relationships of metabolic syndrome and benign prostatic hyperplasia

Maxwell K¹, Lovegrove C^{1,2}, Ng M³, Al Jaafari F^{4,5}, Furniss D³, Bryant R^{1,2}, Turney B^{1,2}, Howles S^{1,2}

¹Nuffield Department Of Surgical Sciences, University Of Oxford, Oxford, United Kingdom, ²Department of Urology, Oxford University Hospitals NHS Trust, Oxford, United Kingdom, ³Nuffield Department of Orthopaedics, Rheumatology and Musculoskeletal Sciences, Oxford, United Kingdom, ⁴ Department of Urology, NHS Fife, Fife, United Kingdom, ⁵School of Medicine, University of St Andrews, St Andrews, United Kingdom
