No 1704. PADDINGTON.

27, HARLEY STREET,

CAVENDISH SQUARE, W.

24th January 1917.

Mr. A. C. Morson was House Surgeon at St. Peter's Hospital for one year from Oct: 1st 1910. He performed the duties of this post with thorough satisfaction as far as I can gather, to the Hospital Staff in general & he certainly did so to my satisfaction. During that time he acquired a thorough practical knowledge of Urology & Genito Surgery in all its branches.

He was kind & attentive to,
& Sympathetic with the
patients & got on remarkably
well with the Sisters & Nurses.
I recommend him to the
Patrons of our large Hospitals
as a suitable member of
the Staff.
