

The British Association of Urological Surgeons (BAUS) is the Data Controller for all the BAUS audits, Dendrite Clinical Systems is the Data Processor on behalf of BAUS.

Ordinarily BAUS staff cannot access patient identifiable data which has been entered on to the BAUS Audit system by members of the clinical team who delivered your care. To comply with a data subject access request BAUS staff will have to obtain the data from Dendrite for onward transmission to the patient requesting access. By completing and submitting this form you are consenting to BAUS staff accessing this identifiable data.

The data request form must be completed for all subject access requests for BAUS data and sent to the BAUS office. The BAUS office will notify you of the outcome within one month.

**Operation data will only be supplied to the patient whose name, date of birth and other operative details on this form match the record held by the BAUS audits in order to preserve patient confidentiality under the General Data Protection Regulation.**
