# **The Cambridge Surgical Skills in Emergency Urology Course**

**08–09<sup>th</sup> May 2018**

**OR**

**12–13<sup>th</sup> September 2018**

**Evelyn Cambridge Surgical Training Centre**

**A practical course: delegates will have hands on experience of a range of emergency urological surgical techniques using fresh frozen cadavers, in a simulated operating environment with experience faculty.**

**Emergency Urology Procedures:**

- Approach to the kidney for emergency nephrectomy
- Ureteric injury repair: end-to end ureteric anastomosis; Psoas hitch and Boari flap re-implantations
- Fournier's gangrene debridement
- Scrotal exploration, testicular rupture repair, orchidopexy
- Andrology: penile blocks, dorsal slit, priapism, penile fracture
- Open cystotomy and insertion of SPC
- Bladder repair

**Additional educational elements:**

- Short lecture on the surgical steps for each skill
- Anatomy of the abdomen, retroperitoneum, pelvis and female and male perineum.

**Learning outcomes:**

- Understanding and technical skills of emergency urology surgery
- Anatomy relevant to emergency surgery

**Target audience:**

- ST1-8 (HEE regional trainees priority with some external places available on request)

**The course includes:**

- Educational material, tuition from experience faculty, and use of surgical instruments and materials
- Shared access to a fresh-frozen cadaveric pelvis and abdomen
- Buffet lunch and refreshments

**Class-room time has been minimised to allow as much time as possible for dissection.**

**Course Fee:**

**£50.00** (for attendees employed by the East of England Deanery)

**£495.00** (for all other attendees)

*All course fees are non-refundable 14 days after payment.*

**Application:**

**We are now able to accept on-line applications via our website:**

**[www.cambridgesurgicaltraining.co.uk](http://www.cambridgesurgicaltraining.co.uk)**

**Please note: we reserve the right to approve all applicants.**
