BAUS 2024 – Abstract Format Guidelines

- Abstracts should be submitted in English and must be a maximum of **250** words and titles must be a maximum of **75** words.

- The names of the author(s) and institution(s) should appear only where requested and should not be included in the text of your abstract. **Reviewers have been instructed to give a nil mark to any abstract in which the author or institution is identifiable.**

- Named authors will be limited to a maximum of **10**. If you have more than 10 authors, the 11th author entry should be named **et al.,**

- Figures and tables should number no more than **1** in total. More than **1** supporting documents will not be included during the abstract marking process or included in the BAUS 2024 abstract book.

- In general, references should not be cited but, if they are deemed essential to the abstract, they should be in the form (Smith et al. BJUI 1999; 75: 100-1) within the text.

- The report must use Calibri 11pt font.

- The abstract should be in four sections; **Introduction**; **Patients (or Materials) and Methods**; **Results**; **Conclusions**.

- Avoid detailed descriptions of methods and results, which can be provided during the oral or ePoster presentation.
