

BAUS

SECTION OF ONCOLOGY
MEETING

PROGRAMME

ICC WALES

2-3 OCTOBER 2025

General Information

Address

International Convention Centre Wales
The Coldra
Caerleon
Newport
NP18 1HQ

Access

The conference will be held in Meeting Room 1D. The exhibition and refreshments will take place in Meeting Room 1E. Registration will be located outside Meeting Room 1E.

Badges

All delegates, speakers, exhibitors and staff should wear their badge for security reasons during the meeting. Access to the conference and exhibition may be denied to people not wearing badges.

Car Parking

Car parking can be pre-booked in advanced or paid for on the day of your visit.

Directions to the International Convention Centre

Located just off Junction 24 of the M4 Motorway, ICC Wales is within easy reach whether you choose to travel by car, public transport or on foot.

Get directions and full address details below.

<https://www.iccwales.com/getting-here>

General Information

CME Points

The following CME points will be available for this meeting:

Thursday 2nd October: 6 Points

Friday 3rd October: 6 Points

Facilities

ICC Wales has fully accessible toilets for both men and woman on every level.

Exhibition

The BAUS Section of Oncology is delighted to have received support from our trade partners and we hope you will take the opportunity to visit their stands.

BAUS Section of Oncology 2025 is a sponsored event. All companies that will be sponsoring the event are named and have no input into the content of the programme and selection of speakers. There was no involvement in logistics, venue selection or any other meeting arrangements.

Refreshments

Refreshments will be served alongside the exhibition in Meeting Room 1E. Any delegate who has advised of any dietary requirements will find that these have been catered for.

Registration Desk

The registration desk will be open from the following times:

General Information

Thursday 2 October

08.30-17.30

Friday 3 October

08.30-16.30

Social Activities

The Conference Dinner will take place on Thursday 3rd October.

Thursday 2 October

- 
- 08.30 Registration and Arrival
- 09.15 Welcome to BAUS Oncology 2025
- 09.30 Session 1: Optimising Prostate Cancer Care: From Diagnosis to Systemic Therapy
- 09.30 Introduction and Welcome
- 09.33 Prostate Cancer Local Therapy: Are Focal and Radical Approaches Competing or Complementary?
- 09.50 Navigating the Imaging Landscape in Prostate Cancer: Selecting the Right Modality for the Right Patient
- 10.07 Perioperative Systemic Therapy in Radical Prostatectomy: Who, What, and When in the Era of Evolving Oncology Practice?
- 10.24 Active Surveillance in Cambridge Prognostic Group 2 Prostate Cancer: Safety, Selection Criteria, and Surveillance Protocols
- 10.41 Urologists Prescribing Androgen Receptor Pathway Inhibitors in mHSPC: What Do We Need to Know?
- 10.58 Summary and Closing Remarks
- 11.00 Refreshments, Poster & Exhibition Viewing
- 11.30 Session 2: The Big Urology Debates (BUD): Challenging Conventional Wisdom in Urologic Oncology

Thursday 2 October

- 
- The background of the page is a faded, artistic rendering of a bridge, likely the Bixby Creek Bridge, spanning a valley. The bridge's arches and supporting pillars are visible, and the scene is set against a soft, hazy sky.
- 11.30 Introduction and Overview
- 11.33 Debate 1: Should Digital Rectal Examination Remain a Gatekeeper in Suspected Prostate Cancer Referrals?
- 11.55 Debate 2: Can Most Bosniak III Cysts be Monitored?
- 12.17 Debate 3: Should Most Suspected Upper Tract Urothelial Carcinoma Cases Undergo Diagnostic Ureteroscopy?
- 12.38 Conclusion and Audience Voting
- 12.40 Commercial Break
- 12.45 Lunch, Poster & Exhibition Viewing
- 13.45 Session 3: Bladder Cancer Today: Risks, Imaging, and Evolving Treatments
- 13.45 Introduction and Welcome
- 13.48 Unpacking the Risks: Non-Smoking Factors Contributing to Urothelial Cancer
- 13.58 Novel therapies for BCG refractory High-Risk Non-Muscle-Invasive Bladder Cancer: Emerging Evidence and Key Clinical Trials
- 14.21 MRI-Based Pathways for Radical Treatment of MIBC: Ready for Prime Time?
- 14.38 Current Perspectives on Managing Clinically Node-Positive MIBC

Thursday 2 October

- 14.55 Managing the Frail Bladder Cancer Patient: Can We Take a Realistic Approach?
- 15.15 Commercial Break
- 15.20 Refreshments, Poster & Exhibition Viewing
- 15.45 Session 4: Contemporary Techniques in Urologic Oncology: Video Demonstrations and Expert Insights
- 15.45 Introduction and Welcome
- 15.48 SpaceOAR Hydrogel Placement for Prostate Radiotherapy and focal therapy: Stepwise Technique
- 15.58 Transperineal Prostate Biopsy Without a Rectum: Technique
- 16.08 Single-Port Robotic Partial Nephrectomy: Procedural Overview
- 16.24 Navigating the Challenging Partial Nephrectomy: Expert Techniques in Robotic Surgery
- 16.40 Robotic Salvage Radical Prostatectomy: Technical Pearls and Outcomes
- 16.56 Panel Discussion and Closing Remarks
- 16.56 Commercial Break

Friday 3 October

- 
- 08.30 Registration & Arrival
- 09.00 Session 5: Modern Management of Upper Tract and Renal Cancer: Controversies and Emerging Evidence
- 09.00 Introduction
- 09.03 Are We Ready for Next-Generation Biomarkers in Kidney Cancer? KIM-1 and the GAGome
- 09.18 Multifocal Localized RCC: Surgical Strategies, Biopsy, ablation, Surveillance, and the Emerging Role of Belzutifan – an Algorithmic Approach
- 09.33 Neoadjuvant Systemic Options Prior to Radical Nephrectomy
- 09.48 Who Benefits Most from Upfront Cytoreductive Nephrectomy? A Decision-Making Framework
- 10.08 Research in Surgical Renal Cancer: Is Our Cup Partially Full?
- 10.23 Consultation
- 10.25 Commercial Break
- 10.30 Refreshments, Poster & Exhibition Viewing
- 11.00 Session 6: Best of British Research
- 11.00 Introduction

Friday 3 October

- 11.03 Updates on STAMPEDE and NPCA
- 11.18 Renal cancer trials & NKCA update
- 11.33 Bladder / Urothelial Cancer Research in UK
- 11.48 Prostate Cancer Research – British Landscape
- 12.03 Conclusion
- 12.05 Commercial Break
- 12.10 Session 7: Poster Presentations
- 13.10 Lunch, Poster & Exhibition Viewing
- 14.00 Session 8: Pathways and Surgical Planning in Urologic Oncology
- 14.00 Introduction
- 14.02 MRI-Guided Preoperative Planning for Precision Radical Prostatectomy – The COMPASS Initiative
- 14.16 Application of AI in Surgical Planning – Trends and Future Directions
- 14.30 Management of Small Testicular Masses
- 14.44 The Bladder Scheduling Meeting: Customising NMIBC Surgery
- 14.58 Conclusion
- 15.00 Refreshments, Poster & Exhibition Viewing

Friday 3 October

- 
- 15.30 Session 9: Next Generation Uro-Oncology: Bridging Training, Practice, and Technology.
- 15.30 Introduction by Chairs
- 15.32 The Balancing Act: Advanced Uro-Oncology Training through the Eyes of a Trainer
- 15.46 Academic Urology in Practice: A Trainee's Role in GIRFT and National Guidance
- 16.00 Patient Engagement and Shared Decision-Making Uro-Oncology: A Trainee's Perspective.
- 16.14 The AI Revolution: How Trainees Can Lead the Next Frontier in Uro-Oncology
- 16.28 Conclusions
- 16.30 Concluding Remarks
